Additional charges apply.

*The preceding public record data is for information purposes only and is not the official record. Certified copies can only be obtained from the official source. The public record items reported above may have been paid, terminated, vacated or released prior to today's date.*

*The fact that a business is named as a suit defendant does not necessarily imply a claim for money or performance against that business. Some lawsuits are actions to clear title to property and businesses may be named as parties because they themselves have a lien or claim against the property. This situation is a possibility particularly if there are multiple suit defendants.*
